TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Sumit Pradeep Kolpe**, a student of the Department of Artificial Intelligence and Data Science at MMCOE affiliated with Savitribai Phule Pune University, served as the **President of NEURA (Network Enthusiasts Understanding Research in AI)**, the official Department of Artificial Intelligence and Data Science technical club of our institution, for a tenure of one year (August 2024 – August 2025).

During his tenure, Sumit demonstrated outstanding leadership, initiative, and dedication towards fostering an innovative and collaborative learning environment. As President, he successfully organized and led multiple flagship events, including MindStorm 2K25 and Dexterity, a national-level technical event focused on AI problem-solving. His efforts significantly enhanced the club's visibility and impact within and beyond the college community.

In addition to his leadership role, Sumit also served as a **Design Thinking and Innovation Mentor** for several hackathon teams, where he guided students in developing socially impactful projects using emerging technologies. He provided valuable mentorship on managing pressure during competitions, structuring effective presentations to communicate innovative concepts, and creating Business Model Canvases to translate ideas into viable revenue-generating opportunities.

Through his vision and mentorship, he not only nurtured technical and entrepreneurial skills among students but also contributed to creating a culture of innovation and problem-solving at MMCOE. We sincerely appreciate his remarkable contributions, professionalism, and commitment. His tenure as President has left a lasting legacy for the club and inspired many students to pursue excellence in Artificial Intelligence and related fields.

We wish him great success in his future academic and professional endeavors.
